

# HOA Desert Landscape Template – Courtyard-Style Front Yard

Designed for HOAs requiring higher plant coverage and a lush appearance.

## Design Specifications

- 50–60% living plant coverage at maturity
- Small shade trees and accent shrubs
- Groundcover plants to minimize visible rock
- Hidden drip irrigation system
- Clean borders and defined planting zones

## Conceptual Layout Diagram (Not to Scale)

This landscape template is intended to align with common Las Vegas and Henderson HOA design guidelines and SNWA water conservation standards. Final approval is subject to individual HOA architectural review committee requirements.
