

# HOA Desert Landscape Template – Traditional Southwest

Fits HOAs favoring classic and natural desert aesthetics.

## Design Specifications

- Native plants such as red yucca and desert spoon
- Organic curves and layered textures
- Mulch and gravel blends
- Plant-type-based drip irrigation zones
- Strong SNWA compliance

## Conceptual Layout Diagram (Not to Scale)

This landscape template is intended to align with common Las Vegas and Henderson HOA design guidelines and SNWA water conservation standards. Final approval is subject to individual HOA architectural review committee requirements.
